Querido amigo,

Fundamos nossa Organização Hoteleira em 1991 na cidade de Poços de Caldas, MG, com o arrendamento do pequeno e modesto Central Park Hotel, onde durante nove anos trabalhamos arduamente para desenvolver nossa cultura de trabalho.

Hoje são nossos gestores e colaboradores que propagam nossa cultura: custo baixo, boa comida, limpeza e muito bom atendimento. Assim conseguimos manter nossos olhos no futuro, perseguindo nossa visão de construir uma grande, sólida e humanizada organização hoteleira.

Hospede-se conosco. Nós temos a tarifa que você estava procurando.

Dear friend,

Our hospitality company had the ground broken in Poços de Caldas city, state of Minas Gerais, Brazil, in 1991 with the leasing agreement of a small and modest hotel called Central Park, where during nine years, day by day, we work hard to create our company culture.

Today our culture is spread by our managers: low costs, good food, cleaning and very nice treatment.

Doing that is the only way to keep our focus on our vision to build a large, financially strong and humanized hospitality company.

Be our guest. We have the price you were looking for.

João Delgado
